leave the putting green alone and maintain it as its the only "golf" amenity in Sunflower. All other sports/activities seem to be covered.	1.00 votes
Put the solar on the new construction	1.00 votes
Hire a Maintenance person to set up/take down Ping Pong on Sundays	1.00 votes
Save it for something really important.	1.00 votes
Invest in a sidewalk sweeper and use volunteers or PT for daily or every other day sweeping on walks-eliminate pebbles & tree debris for safety in walks.	1.00 votes
Sunflower needs a Capital Investment Plan	1.00 votes
Use funds to replace mail boxes at residences	1.00 votes
New mailboxes	1.00 votes
Installation of steam room (or hot sauna room) to accommodate at least 12 people and be adjacent to shower facilities. This addition would obviate the need to get a healthclub for these facilities.	1.00 votes
Buil another building capable of handling 300people + stage area + kitchen + rest room. Location: Behind club house or cover the tennis courts. Type of building: Metal with rock wall siding to match club house. Add on for future: Roof would be a possible solar location.	1.00 votes
Build multi use building to cover the tennis courts that could be used for sports in all seasons-but could also be used for large entertainment & gathering events for all residents. We are so limited with current facilities.	1.00 votes
Fix waht needs to be fixed. Walls and irrigation.	1.00 votes
Fix mailboxes	1.00 votes
We are in favor of changes that benefit ALL, not "pet projects"	1.00 votes
Definatly against solar - You would never recoup the initial expenses before some other technology replaces solar more effectively, & not be a monsterous eyesore. There is not enough parking spaces for many o the sold out (or free) events now. No one is happy to have to park on the street! The community center was under construction for the amount of homes built. Again, poor planning!	1.00 votes
Stop the CIF funding entirely.	1.00 votes
Hire a crew to power wash all of the spray paint Wyverd left behind since the town of Marana is not taking care of it.	1.00 votes
Free up library by constructing a separate card and game room	1.00 votes
Have all 3 sport courts equally accommodate all court sports.	1.00 votes

work with a Landscape expert and update all of the community common grounds with better cactus, applicable bushes, and better trees. Too many Texas rangers and other cactus, etc. growing into the trees or eachother.	1.00 votes
How about lowering the annual HOA fees!!!	1.00 votes
Back brick walls repaired and reinforced due to gaps of sealant and weakness of walls. Possible install brick walls on all sides of properties to give better appearance. Would increase home values and neighborhood value due to better looking, and secure side walls.	1.00 votes
Corn hole has become very popular here. So, Design and build a specific corn hole only area in turf area north of Bocce courts. Because playing between bocce court curbs is a trip hazard and continued corn hole use at Bocce courts area could prematurely wear current turf on Bocce courts and curbs.	1.00 votes
Keep putting green area but rehab the grade and replace the artificial turf. Add two or three bench's around and facing putting green and/or new Smartscape area.	1.00 votes
Build a pickle ball court where putting green is	1.00 votes
Suggest you hire a landscape expert and improve all of the common area grounds with cactus, better trees, and applicable bushes. Currently there too many Texas Rangers and other cactus and bushes growing into each other and into trees, especially on Coachline and Twin Peaks.	1.00 votes
