ARCHITECTURAL REVIEW COMMITTEE

By Lisa Sak

The ***Architectural Review Committee*** would like to extend its warmest wishes to everyone in Sunflower for the upcoming holiday season.

Of special interest is the placement of
Holiday Decorations
within our Sunflower Community.
All our residents and staff are looking forward to seeing the wonderful decorations that residents often put up.

Just a reminder: The decorations can go up one month prior to the holiday and need to be removed 14 days after the holiday.

Enjoy the decorations~making Sunflower so festive!

ARC's next two meetings:
Tuesdays, November 3rd & 17th @ 9:00 a.m.
in the Village Center Craft Room.

POLICY COMMITTEE

By Robin Sterner

The ***Policy Committee*** just finished reviewing Policy 3.07: General Manager Job Description. The General Manager has a BIG job! Please consider reading the entire job description @ **Sunflowerliving.com**, (*Go to* - Resident Information, Association & Board of Directors, Governing Documents, Policy Manual.)

In related Policy 3.03: Board/General Manager Relationship Policy, it states - "G*ood management is recognized as one of the key factors in the success of Sunflower."*

Our General Manager, ***Lisa Sak,*** just celebrated 5 years working at Sunflower. Our Directors have stated publicly at Board meetings that they recognize the value of longevity in community contracts. ***Lisa*** attends all Board and Committee meetings; and she is quick to answer questions and share past practices. Her knowledge and experience contribute a key factor in reviewing policies and making this committee productive.

The ***Policy Committee*** meets the first Friday of each month @ 9:00 a.m. in the Conference Room.

(Note - ***November 6th Meeting is canceled because of the Community Craft Fair.)***

LANDSCAPE INITIATIVES

By Charlie Barlow

A gracious thank you to those who responded to our request for suggestions on the disposition of the grassy lawn area to the east of the pool. We had arranged for a drop box for written suggestions at the Village Center, as well as an email address to express your opinions on how to deal with this part of our community landscape.

Looking at spending any kind of monies for reducing irrigation of the pool lawn, there won't be any funds available in the near future for any large capital expenditure due the assignment of most of the Community Improvement Fund (CIF) toward the **Solar Project**. Therefore, in consultation with our vendor, **AAA Landscaping** suggests to reduce watering the pool lawn, instead of daily, to limit to once weekly in the transition to the cooler months ahead, and not to overseed the lawn with a seed variety that competes with the established bluegrass for water and nutrients.

Spring and Supplemental Fall tree and shrub planting has been completed, and a review of the health and viability of those plants will have been completed as of this writing.

For the 2027 plantings, a door-to-door inquiry will be conducted prior to installation in case there would be an objection to the location of a new tree that would be an obstruction to territorial views from a particular resident's location. Please attend our committee meeting on the first Wednesday of the month if you wish to review the planting maps.

Our next meeting is on Wednesday, November 4th @ 10:00 a.m. in the Conference Room.

WELCOME COMMITTEE

By Lynn Haye

Welcome to our "Newbies" We are anxious to meet you. Remember to sign up at the Front Desk of the Village Center. We are a friendly group.

Any questions, please contact me @
h1035@aol.com. ***See ya soon!***

Our next meeting will be on Friday, November 20th @ 10:00 a.m. in the Conference Room.

PRESERVATION OF RESERVE ASSETS COMMITTEE

By Tom Howlin

PRAC helps evaluate and maintain the physical assets of the community. These assets wear with age but that does not make them useless. If you have a car that is ten years old, it probably doesn't look brand new but is perhaps perfectly serviceable and will continue to be a faithful provider of transportation.

Things like the Bocce courts or even the water fountains, do not look shiny and new for very long in the Arizona sun and with the quality of our water. However, some hard water stains do not make a drinking fountain unusable – it's job is to provide cold water upon demand with no leaks and presenting no noticeable health hazards. As long as it performs these functions, it's still a valuable asset and will not be replaced.

Wear-and-tear versus worn-out is sometimes difficult to ascertain. We can't see inside a pool pump and do not wish to wait for complete failure, so we often just follow the recommended lifespan of the assets and replace them when the time is up. Something like a Bocce court is much easier to assess; and while the turf may fade and come loose in some areas, that does not eliminate the functionality of the asset – therefore, interim repairs may be needed versus replacement.

These are the types of evaluations ***PRAC*** tries to make on a regular basis along with help from our professional, outside reserve company.

Join us on Thursday, November 12th @ 1:00 p.m. in the Fiesta Room.

SUNFLOWER ANNUAL MEETING

Everyone in Sunflower is welcome to join us @ this year's

ANNUAL MEETING
on Wednesday, November 4th @ 6:00 p.m.
in the Fiesta Room.

At the meeting, newly-elected BOD members will be announced along with other items voted on in the recent Sunflower elections. There will also be a recap of the past year's major projects, events & finances.

You won't want to miss this vital meeting which represents the beginning of a new year here in our Sunflower Community.

Please plan to join us!

FINANCE COMMITTEE REPORT

By Bonnie Scott

The ***Finance Committee*** reviews the monthly financials in its monthly meetings which take place @ 1:30 p.m. on the 3rd Tuesday of each month in the Conference Room.

As the financials are only available to homeowners (Sunflower Community Members), the actual figures of Income & Expense and other details are not placed in the Sun Catcher, which is made available to anyone who comes to the Village Center. Homeowners can locate financial information on the **Sunflowerliving.com** website, which requires a password only available to homeowners. The Community Manager also places a copy of the Income and Expense report in the Board Book prior to the Board meetings, which is available only to homeowners.

The Treasurer's Report is reviewed in the Finance meetings as well as in the Board meetings. Only homeowners may attend these meetings unless the Board or Manager approve an invited guest such as a vendor.

The ***Finance Committee*** welcomes new member, ***Christopher Montijo***. Christopher moved into Sunflower in April of 2025. He has experience in managing budgets, has a minor in accounting, and was a Certified Purchaser Manager.

Our Next Meeting: Tuesday, November 17th @ 1:30 p.m. in the Conference Room.

ELECTION COMMITTEE

By Effie Skroch

As most of us know, by ***November 4th @ the Annual Meeting***, the role of the ***Election Committee*** will be over for another year, and the residents of Sunflower will have spoken with their candidate selections.

If you have totally missed voting, there is a last chance to do so BEFORE that meeting from 5:15 to 5:45 p.m. in the Village Center Lobby.

Thank you to all who have voted.
I think it will be a banner count.

Big thanks are due to ***Kaye Walter***, Chair of the Election Committee, plus the Committee members, ***Kristy Ashmore, Elizabeth Kirk, Carol Normand, Lynda Shaw and Effie Skroch***. Our BOD liaison was ***Kat Mitchell***.

We were a good team; and if you'd like to know how it all happens, please volunteer for next year's process.

By Bruce Schwartz

Greetings from the Sunflower Veterans Club

As this delicious, cooler Autumn air moves in, we are all delighted here in Sunflower. I have heard **Music Under the Stars,** though a bit smaller than usual, was still a success. The ***Sunflower Community Veterans Club*** was pleased to be out there serving those delicious Hamburgers and Cheeseburgers.

November 14th is our Annual Fall Barbecue. You will have a choice of 2 Sandwiches: Pulled Chicken or Pork, or one of each, Coleslaw, Baked Beans and Chips, Lemonade and Ice Cream. - The cost is still only $18.00.

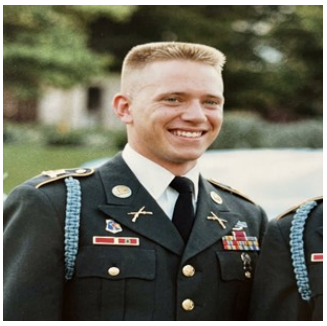

Please join us on Veterans Day, November 11th @ 9:30 a.m. for our ceremonies beginning in front of the Village Center at the flagpole. Try to bring a chair for yourself as seating may be limited.

On Monday, October 12th, I had the privilege of attending the opening of **Old Pueblo's Veterans Transitional Housing**. Thanks were given to the Sunflower Community Veterans Club too many times to mention - for our many generous and continued contributions that have enabled Old Pueblo to provide such an asset to homeless and disabled Tucson Veterans.

In return, we wish to thank all of you for continually supporting our club, which allows us to fund these worthwhile Veterans' causes.. Donations are always welcome. Remember we are now a 501(c)3, which means that all your donations are tax deductible.

Thank you so very much for all your generous help and contributions over the years

ROBERT THORNTON – U.S. ARMY 3rd INFANTRY

Robert Thornton joined the U.S. Army in 1987—partly out of spite, he says. His dad was career Navy; so, Robert joined the Army. He began basic training at Fort Benning, Georgia, then was selected to try out for a special assignment in Washington, D.C. That opportunity was to join The Old Guard, 3rd U.S. Infantry—an organization known for its ceremonial duties in front of the nation.

After reporting to Fort McNair, he competed with 500 candidates for 12 positions and won. From day one with the unit, the work was highly disciplined and visible: learning precision marching, uniform standards, and performing with the calm consistency expected from soldiers in the public eye. The shoe he wore when his partner lost his rifle and the bayonet landed on and through his foot, is still on display there.

He served in roles including the Commander-in-Chief's Guard, supporting events that placed him at the center of major national moments—from Arlington funerals to White House and joint service ceremonies.

His service later expanded into drill-team duties with Alpha Company and Echo Company at Fort Myer, VA, where specialty platoons supported events for presidential appearances and public ceremonies. Memorable events included the halftime show in San Antonio in front of 50 thousand people while on television. The presidential inauguration parade was also a highlight. Less enjoyable were the times he had to be the target in the desert for training exercises.

Throughout it all, he credits the Army with shaping his attention to detail, accountability, and forward-thinking-skills he has carried into civilian life.

WE THANK YOU, BOB, FOR ALL YOUR SERVICE!

SUNFLOWER TENNIS CLUB

By Dennis Page

Here are some tips to improve your serve:

1. Feel as though you're throwing your racket through the ball.
2. Toss the ball in the correct place -- as high as you can reach with your racket, slightly inside the baseline and to your dominant side (for most players, to their right). Certainly don't throw behind your head!
3. Stay balanced throughout the entirety of the service motion. It's so important to keep your core steady and controlled as you deliver the serve.
4. Use your legs to add power once you have those other three fundamentals in place. You should be focused on jumping up into the serve rather than jumping forward.

These tips are from the following website (type the characters into your browser exactly as shown):

https://talkingtennis.net/blog-posts/

ROSIE'S SUNFLOWER BINGO

By Tim Walter

The snowbirds are trickling back! Just a friendly reminder about some requirements. *You will need your proximity card to buy bingo cards. If you bring a guest, you must register them at the front desk and get a wristband for them so they may participate. Please limit guests to one per resident. Please bring $10 bills or less to pay for bingo cards.*

October is always a special night, as we celebrate breast cancer survivors and appreciate the players who continue to fight! We expanded into the library, but there were still some empty seats.

The **Rosie Special** was back up due to the increase participation, up to $340.00 this month. ***Ross Bitner*** took home that pot, and a couple of others! He also donated back three times to **Veterans Club** along with ***Dennis Walthal, Peggy Anderson, Carol Mino, Connie Rio, Louis Sulser, Kevin Kirkey*** and ***Ginger Gruzinski***. A heartfelt "Thank you" from the Sunflower Veteran's Club for $236.00 in donations! Congratulations to all the winners.

Many people helped ***Kaye Walter*** set up with Halloween table settings. As always, an exceptional call by ***Dolores Johnson.*** ***Kathrine Talley*** ran the board perfectly this month, and ***Marcia Ceciliot*** helped ***Carol Abrahamson*** with the card sales.

Special thanks to them all.

November should welcome some more Snowbirds, and we expect to fill the house.

Our theme will be ***"Thank You for Your Service",*** as we play close to Veterans Day.

TOPICS OF INTEREST

ARTIST GALLERY

By Nickie Kaplan

We are fortunate to have a display of artwork in November by both ***Michele Girard*** and ***Sylvia Shanahan.*** Both ladies display very different types of art this time.

Michele will be displaying Sonoran Driftwood art pieces as she loves to collect unusual sticks, roots & cacti skeletons, etc. to use in creating wonderful one-of-a-kind pieces. They are inspired by her love of nature and the surrounding Arizona desert landscapes. Her sources of materials include the Sonoran Desert and Sky Islands.

Sylvia, a recent resident of Tucson, will be displaying her painting skills. She has shown her work all over the U.S. from Ohio, Vermont, Georgia to Florida, as well as in Tucson. She was also selected in the Samsung Frame TV in 2016, and her painting: "Shadow Play in Walsingham Park" was selected to be included in the LG TV. She also teaches at Quail Creek, the Arizona Sonoran Art Institute and Saddlebrooke. ***How lucky are we??!!***

We wish to extend a sincere thank you to ***Lori Roper & Lois Croly*** for their stunning, original artwork displayed during the month of October. Remember to stop by the Village Center during the month of December to view the work of the ***Quilt Club Ladies***.

Our residents are truly outstanding!

THE PING PONG GROUP

By Buzz Hoffmann

Ping Pong has come a long way since it was first played in England by upper, middle-class Victorians on dining room tables. Rackets were lids from empty cigar boxes, balls were champagne corks, and a line of books served as the net. We use modern equipment and love to have new players join us for this great sport, one of the best for the brain. All playing levels, including beginners, are welcome for a fun time of ego-free and often aerobic ping pong.

We play on the 1st, 2nd & 3rd Wednesdays and 4th Thursdays @ 1:00 p.m. in the Fiesta Room, and also on Saturdays @ 11:00 a.m.

Single mom, Renee, turned her dream of owning a home into reality with the support of **The Primavera Foundation's Homeownership Opportunities Program (HOP)** and Her Family Program. "Keep pursuing it. Don't get discouraged, it's possible, and it's worth it," Renee says. Read her full story and learn how ***Primavera*** helps families achieve the dream of homeownership at **Primavera.org**.

GENEALOGY SOCIETY

By Paulette Weiser

"I Have Finished the Research, Now What Do I Do with My Data?" is the title of this month's program from ***Beth VanBlaricom*** at our meeting on ***Tuesday, November 17th @ 2:00 p.m. in the Fiesta Room and via Zoom***.

Beth will talk about the book she produced for herself and family members based on her family search. This project can create an amazing keepsake for generations to enjoy and understand their family heritage. Bring your laptops to do some research after the program.

Beth, the SGS Membership Chair, has traced her lineage back to her 23rd great grandmother. Earlier this year, she traveled to northern Europe and walked in the footsteps of her ancestors. What a journey!

Now is the time to renew your membership for 2027 or become a new member anytime. In this day of soaring prices, dues remain an astoundingly low $15 for either a single or couple membership. Your membership provides monthly programs on pertinent topics regarding family research plus hands-on sessions; mentors to assist you in your searches; access to a genealogy library filled with helpful books, pamphlets, magazines, DVDs and maps; password access to the website MyHeritage; research organization forms; and a congenial group of people with a common goal of learning all they can about their family heritage.

Join us on ***November 17th for our December 15th Celebratory Meeting*** and all through 2027! We can help you track down those elusive ancestors and bring them to life!

SUNFLOWER QUILTERS

Right now, we are totally focused on finishing our creations for the **Fine Arts and Crafts Festival.** We encourage you to shop early, as most items will be one of a kind. Lots of new items never offered before will be available – so come and check out our offerings!

Members - don't forget that we have a ***Retreat scheduled for Friday, November 27th***. Look for the sign-up sheet early this month. Visitors and new members are encouraged to check out our Quilter's group most any ***Thursday or Friday from 9:00 to 11:30 a.m. in the Craft Room***. We have quilters of all different skill levels and there's a wide variety of projects in process.

Won't you come and join us?

November's book selection is ***The Correspondent*** by **Virginia Evans**. This is an epistolary novel entirely told through letters, emails, and unsent notes.

Sybil Van Antwerp, a 73-year-old grandmother and retired lawyer living in Maryland, finds her eyesight declining, yet she continues to maintain her daily letter writing habit which she uses to make sense of the world. It is through this correspondence that we learn about the pain Sybil is carrying. Yet, what starts out as a book about grief, loneliness and regret, ends as a book about hope, love, forgiveness and optimism.

This book has received rave reviews from readers and should make for a meaningful discussion. ***We will meet in the Library on Tuesday, November 24th @ 7:00 p.m.*** *Please join us.*

SAFETY AND WELLNESS ALLIANCE

By Marcia Olson

Have you fallen this year? If not, that's great! If you have, you are a part of an alarming statistic!

According to the CDC, 1 in 4 adults over the age of 65 fall at least once yearly. These falls result in fractures, traumatic brain injuries and many lesser maladies.

Learn about being proactive regarding preventing falls and improved balance by attending our educational seminar presented by ***Meghan MacArdy***, DPT CDN, owner of Fysical Therapy and Balance Centers.

Please join us on Thursday, November 19th from 1:00 to 3:00 p.m. in the Fiesta Room
for this educational seminar.
Join us! You'll be glad you did!

ATTENTION SUNFLOWER RESIDENTS

The HOA rule has always been that every resident entering the Village Center must scan-in with their proximity card. This process is required whenever attending any event inside the Center, such as use of the Fitness Center, Pool Area, Card games, Art Club & Quilting Club, etc. & especially when attending any club event, such as Social or Gatherings Club events, including Bingo.

Residents are required to scan-in @ the Village Center with your proximity card at all times.

If you are bringing a guest for an event or game, you must also register them at the front desk using your guest pass, (even though you purchased a ticket for your guest).

We appreciate your cooperation in this regard and hope it is clear to every resident that your proximity card is YOUR PASS to enter, use and enjoy all that Sunflower has to offer!

NEW SUNFLOWER RESIDENT DIRECTORIES

Good News! It's that time of the year again for the new publication of the **2026-2027 Sunflower Resident Directory,** now available to residents @ the Village Center Front Desk.

At your convenience, please stop by to pick up your copy. As always, you are required to sign for the "new" directory on our sign-up sheet under your **Lot Number**.
Please note: only one copy is given out per household**.**

Directories are available for residents or tenants only.
You may also purchase an additional copy of the directory for $1.00, if desired.
