

Sunflower Technology Club Member/Guest Policies

The Sunflower Technology Club facilities and equipment are for the use of Sunflower Technology Club members or their guests, as described below:

Memberships are available to Sunflower residents only (owners and renters). There are two types of memberships:

1. A household membership that includes up to two persons, for a period of 1 fiscal year.
2. A club membership, for a period of 1 fiscal year.

Guests of Technology Club members who are visiting for a brief stay, may use the facilities and equipment, subject to the following conditions:

- Guests must sign in at the Sunflower desk.
- The resident member of the Technology Club must accompany all guests for their first visit to the computer room.
- The resident member is responsible for informing their guests of the rules of the Club facility.
- The resident member is responsible for any and all damages incurred by themselves and their guests.

Please read and understand our STC Bylaws as soon as possible.

Use of any Club Computer USB port, or wireless or wired connection, is covered by the same rules as those stated above.

Wi-Fi is available to STC members. Password is available to members at the Front Desk

A password must be used to use the computers in the Lab. The password can be obtained by a designated member of the Technology Club at the Front Desk.
